

OXFORD 6

Now you can get a transformative workout that fits your body comfortably and your home beautifully. You'll discover ergonomics that accommodate your unique shape and your natural movements for efficient low-impact exercise, plus sleek industrial design and whisper-quiet operation that won't disrupt your home whether your rower is in motion or tilted up for compact storage.

FEATURES

- Premium aluminum rail (fits inseams up to 38"), magnetic resistance and smooth-action drive belt combine for whisper-quiet, natural movements
- Ergonomically refined seat fits a wide range of users and makes even long workouts comfortable
- Footpads include optimized spacing and quick-adjust straps
- Optimized seat height and ultra-stable design offer a balanced, grounded feel and make it easy to get on and off
- Backlit console provides complete workout feedback and raised buttons for easy program change, plus adjustable angle and height
- 20 magnetic resistance levels accommodate a wide range of fitness levels and include electronic adjustment for quick changes
- Includes ViewFit connectivity and Polar wireless heart rate receiver

EASY STORAGE

Our rowers tilt up to minimize the footprint, and built-in wheels make it easy to roll into storage between workouts.
