ADD CHALLENGE WITH A TAP

Andes 5.1 ellipticals include quick keys with preset levels that make it easy to control resistance. Simply increase resistance when taking on a HIIT interval or following instructor cues, then quickly reduce resistance for rest periods or cooldowns. Everyone from beginners to true exercise enthusiasts can find a level of challenge right for them at the touch of a button.

THE NATURAL ELEMENTS OF MOTION

Six key design details work in concert to create the most natural and comfortable elliptical workout. From the handlebars to the pedals, everything is right where it should be.

AT HOME WITH YOUR FAVORITE STUDIO CLASSES

You'll always be able to access an inspiring studio experience right for your goals and schedule. Whether you love a good run, a smooth-moving elliptical workout or an invigorating ride, you'll discover workouts that pair perfectly with your equipment.
